# 15 Book Challenge

## Directions:

- Join our *Google Classroom* (**Class Code: 6js5p65**)
- Read a book from each of the 15 categories between August and April
- After each book either fill out a *Google Form* for the book you've read and answer a question proving you've done the reading (Mrs. Cannon will approve your answer for credit) or take a *Reading Counts* test on the book if it has one (the test must be taken with your reading teacher or in the media center).

## Benefits:

- Never pay late fees on any book you check out
- Once you've completed your 15 books you will receive a bag with a t shirt and various small prizes.
- Lunch in May with all of the students who have completed the challenge
- A chance to win additional prizes at the lunch in May (drawing)
- Eligibility for contests along the way ("Blind Date", "Read a Book, Get a Prize", etc.)
- Becoming part of the reading community at West Boca!

## Helpful Hints:

- The *Google Classroom* has lists of suggestions for some of the more specific categories
- There will be monthly displays to help you choose books.
- You can use books assigned in class as long as they correspond to a category.
- Sign up for **Remind.com (@64dh3k)** so I can send you hints and reminders throughout the year.
