What is IB at Atlantic?

Why IB?

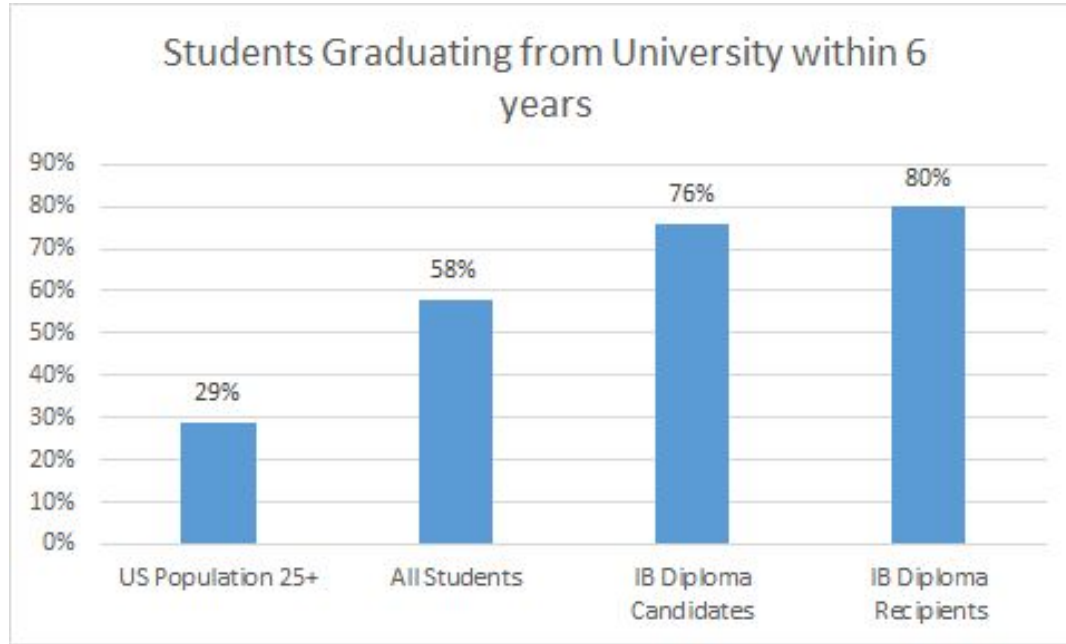

Atlantic Community High School IB students routinely gain admission, scholarships, and college credits to some of the most respected universities across the country. IB Students get accepted at about a **40% higher** rate to universities in Florida and **15% higher** rate to prestigious universities across the country.

Lower acceptance rates and more competition mean YOU need to stand out, IB makes a difference.

IB Diploma = **100% Bright Futures** Scholarship

Post-secondary success

Why Atlantic?

“I wanted to continue my IB education, I know it will be beneficial for college.” - former Carver student

“My siblings did IB at Atlantic and I saw how helpful it can be. They met some of their best friends through IB and I know the program will help me become a better student.” - former Congress Student

“I chose IB for the harder academics and rigor of the classes. It gives me a lot of scholarship opportunities.” - former Gulf Stream student

IB Middle Years Programme
