- Attendance incentives
- Technology that is adaptive (I-Ready)
- Use of manipulatives in math to help all learners -
- Additional Collegial Planning/ Tutorial programs -Summer planning opportunity -Offer club/mentorship programs -

# PFEP and Compact

## **Parent Family Engagement Plan (Communication with parents)**

Translators when needed during parent conferences, Family Engagement Events, or other school functions.

Facilitate trainings where parents understand what is required of students to know and how they are assessed on the ELA and Math state assessment.

Parents can also learn about what they can do at home to support their children even though they might not speak or be literate in English.

## **Compact**

Communicate updates on academic performance of students in ELA and inform parents about the ELA academic standards.

School will also provide updates on student performance.

Students will come to school prepared and complete all assignments and practice learned skills at home. They will follow all rules and respect all people.

Parents will participate in organized Parent Engagement events and ask for assistance from the school when needed. Parents will also bring students to school.
