Announcing

SCIENCE - SPRING & SUMMER CAMP 2025 @ Morikami Park Elem. And other locations

Blue Lake Students get the Friends Discount and more.

Camps are for students from all schools.

We are now taking applications for registration, and Pay Plans are available.

For info and DISCOUNTS, Call, Text or go to our website.

There will be **NEW** Chemistry, Physics, Engineering, Minecraft Club, High Tech Club, Biology Labs, LegoMation Club, Robotic Labs, Outdoor Recreation (Sports, Games, etc.) & more, **ALL INCLUSIVE**

www.thescienceacademy.org 561.285.7552

All programs are Limited Seating ! First Come, First Served !

Students can now safely **have fun and socialize** while learning in fascinating, hands on, inquiry based, problem solving, and critical thinking labs within our programs, that are designed to breakdown the Science, Technology, Engineering, and Math components of each project. These labs and clubs are conducted by Certified Teachers and Instructors trained to teach STEM.

All Science Academy Afterschool Clubs run for 6 weeks (Based on the School District's Calendar)

Cost per student, per club is \$139.

(This is a Corporate Sponsored Discounted Rate for your school – Regular Cost is \$160.)

Pay Plans & Financing is available for 2 or more programs or Clubs Call for more info or to apply.

To Register online, please go to www.thescienceacademy.org and click REGISTRATION PAGE
Or click here.

For More Info - Call or Text (561)285-7552

Covid guidelines and recommendations.

Please note: Because our classroom is in Blue Lake Elementary, (a School District property).

We follow the School District's rules, guidelines and recommendations.
