

Dear Parents/Guardians,

The following is a checklist if Diabetes supplies needed for your child at the start of the school year. Please remember to check expiration dates for all medications, food, and supplies. It is also recommended to have an emergency supply kit available in your child's classroom and/or quick acting carbs with your child at all times.

- **Current DMMP** (Physician Authorization- from doctor)
 - o This must be new each school year. The nurse cannot use the form from the previous school year
 - o Physician's office should have them. If not, then the office can call school the nurse to request one
- **Parent Questionnaire**
- **Insulin vials/pens:** Please provide the pharmacy label for insulin
- **Insulin delivery supplies:** Syringes/Pen needles
- **Glucagon Emergency Kit:** Please provide the pharmacy label
- **Glucometer and test strips**
 - o Control solution for meter
 - o Lancing device and lancets
- Extra **batteries** and/or **charger** for glucometer, CGM and/or insulin pump
- **Alcohol pads/wipes**
- Extra **pump supplies** if applicable
 - o Site change supplies
 - o Cartridge
 - o Reservoir
 - o Pump resources such as manual, DVD, alarm card
- **Ketone strips:** Please provide a new and unopened bottle
- **Fast-acting carbs:**
 - o Glucose tablets and/or gel
 - o Juice- 4 ounce containers if possible
 - o Tube of cake gel/icing
- **Snacks:**
 - o Carb/Protein: peanut butter or cheese crackers, etc.
 - o Protein: cheese stick, beef jerky, slim jim, etc.
- **Water**
- Current/updated emergency contact phone numbers
- 504 plan/EIP- Recommend contacting your school coordinator to schedule meeting to update your child's 504 plan/IEP prior to the start of school

Please contact your school nurse at 561-338-1513 with any questions or concerns. Thank you.

See you next year!
