Dear Parent/Guardian:

We are providing a free Morning Care and After School Program at Bear Lakes Middle School. The Morning Care program begins September 21, 2020 and is held Monday-Friday 8:00am-9:00am. The After School program begins September 21, 2020 and is held Monday-Thursday 4:10pm-5:30pm. During the program, your child will participate in academic and extracurricular activities. These activities will include homework assistance, tutoring, basketball, etc. We are looking forward to your child joining The Bruin Afterschool Program, where personal enrichment and academic improvement is our essential objective for our middle school students.

Mission Statement

The Bruin Afterschool Program will provide opportunities for personal enrichment and academic improvement through recreational activities, homework assistance and tutoring, as well as social skills development (including conflict resolution and team building.)
