First things first: if you don't already have one, you'll want to create an account for yourself. To do this, go to the [Khan Academy home page](#) and then click on the **Parents** button.

The screenshot shows the top navigation bar of the Khan Academy website. Below the navigation bar, there is a large image of a smiling girl. To the right of the image, the text reads: "For every student, every classroom. Real results." Below this text, it says: "We're a nonprofit with the mission to provide a free, world-class education for anyone, anywhere." At the bottom of the page, there are three blue buttons: "Learners", "Teachers", and "Parents". A red arrow points to the "Parents" button.

To log into existing account:

Logging Into Your Existing Account

If you already have a Khan Academy account (even if you weren't previously using it as a parent), you can log into it by clicking on **Log in** at the top right corner of the page:

This screenshot is identical to the one in Step 1, but with a red arrow pointing to the "Log in" button in the top right corner of the navigation bar.

Steps 2 and 3: Viewing Your Dashboard and Creating an Account for Your Child

Once you've created your account or logged into your existing account, you'll be taken to your Parent Dashboard. If you're not automatically taken to your Parent Dashboard, you can find it one of two ways.

First, you can find it by clicking on your name in the upper right corner of the page, and then clicking on **Parent Dashboard** in the drop-down menu.

The screenshot shows a user profile drop-down menu. The menu items are: "Notifications · 0", "Learner home", "Parent dashboard" (highlighted in blue), "Settings", "Help", and "Log out".

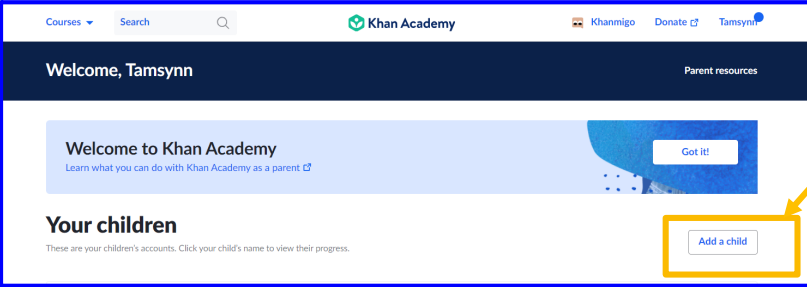

Second, if you do not see the **Parent Dashboard** option in the drop-down menu, you may need to click into your **settings** and scroll down to **Roles**. From here check the **Parent** checkbox and select the **Parent Dashboard** to be your **Homepage**.

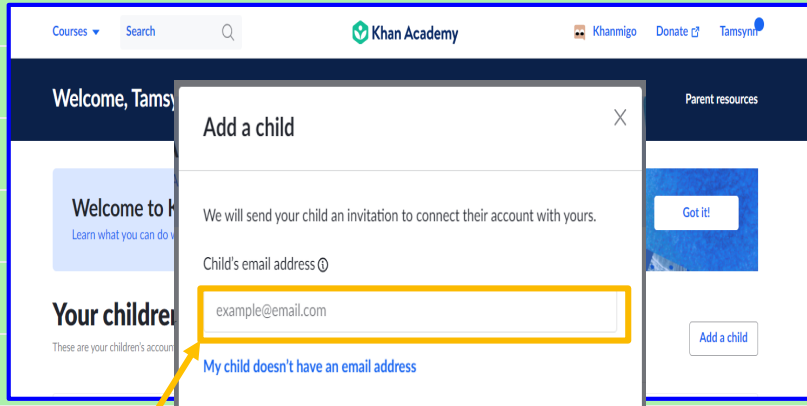

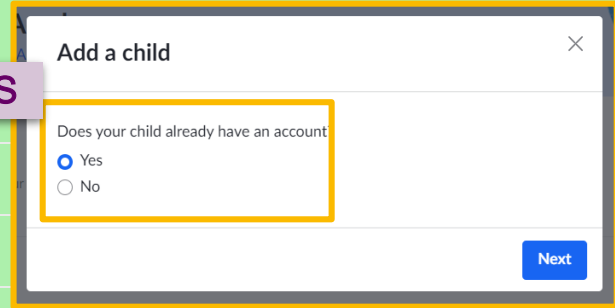

The screenshot shows the "Roles" settings page. It says "I am using Khan Academy as a:" followed by three options: "Learner" (checked), "Teacher/Coach" (unchecked), and "Parent" (checked). Below this, it asks "Which page do you want as your homepage?" and shows "Homepage: Parent dashboard" with a dropdown arrow.
