

HOUSE SYSTEM

at Freedom Shores Elementary

Four Houses, One Eagle Family

What Is It?

Freedom Shores has 4 Houses. These houses make up smaller communities within our school. Every staff member and student belongs to a house so everyone feels a sense of belonging at school. Each house represents different traits, history, and traditions.

Why the House System?

- Builds character and school-wide community- provides opportunities for students to socialize with peers outside of their classes and with positive adult role models beyond just their classroom teachers
- Provides youth leadership opportunities
- Promotes a culture of constructive competition - students learn how to be team players, contribute their efforts toward a group, and learn that those who work hard and stick with it are often the ones rewarded
