# Susan Wise, Single School Culture Coordinator

*Mrs. Wise began her role of Single School Culture Coordinator at Highland in September 2022. As the Single School Culture Coordinator, she supports teachers, students, and families with a focus on behavior, academics, and school climate. She oversees the Science Instruction.*

*Before coming to Highland, Mrs. Wise served as TOSA (Teacher on Special Assignment), Science Coach, Science Lab Teacher, and Classroom Teacher. Mrs. Wise has been passionate about Science since she was a child. She believes hands-on learning is essential for students to learn and to find their love of learning.*

*In her free time, she enjoys spending time with her husband and two children. She also loves to travel.*
