Each year, families are invited to attend this meeting at the beginning of the school year to learn more about our schoolwide Title 1 Program and the requirements of Title 1. Our meeting will be September 11, 2024 at 4:00pm.

Shared Decision- Making

Families will be invited to many meetings throughout the year to receive academic information, reports, and provide input on ways the school, families and students can share responsibility for student success. We hope you will join us for SAC meetings, parent conferences, Title I meetings, and parent training.

Communication

Based on your input, we will provide flexible meeting dates and times to accommodate work schedules. We will also communicate in an on-going and timely manner using a variety of methods including our school website, social media, emails, phone calls from teachers, school

administration and the parent liaison; by flyers sent home with your student; through notes in your student's agenda, school newsletter/calendar, and academic reports. If you find that communication does not seem to be getting home, please let us know.

Accessibility for all Families

We encourage all families to attend meetings and events. School staff will provide support needed for all families to be able to participate and be engaged in their child's education. We provide translated documents and interpreters (academic reports, flyers), childcare, accessible meeting space, and multiple meeting days and times. Please notify the school if other assistance is needed. We want all families to be a part of their child's education!

Volunteers

Families are encouraged to volunteer at our school to help students and teachers be successful. To find out more about volunteer opportunities, please call our school's volunteer coordinator. We would love to have your help.
