

MIND GAMES

Educational Enrichment Through Play™

Come join the fun at Mind Games!

Brain power and fun collide in Mind Games! Join us each week as we play exciting, educational, **SCREEN-FREE** games. Our S.T.E.M. based games go beyond the “screen” and provide challenging hands-on experiences while fostering positive social relationships. Studies show that learning through play will expand cognitive abilities and develop important life skills.

AREAS OF FOCUS

- Cognitive Processing Speed
- Focus & Attention
- Critical Thinking
- Trial & Error
- Sensory Integration
- Life Skills

S.T.E.M. EDUCATION (Science, Technology, Engineering, Math)

S.T.E.M. education is a great launching pad for curiosity, investigation, critical thinking, teamwork, and problem solving. Our inquiry-driven lessons create an environment that stimulates learning through questioning, exploring, and creating.
