April 2025 Teacher and Employee of the Month

Mrs. Jyl Mayall is a veteran educator with the School District. Mrs. Mayall started her career as a classroom teacher before moving into leadership positions. In her four years at Northmore, Mrs. Mayall has been on the school's leadership team as the ESE Coordinator. As the ESE Coordinator, it is Mrs. Mayall's job to ensure that the academic and behavioral needs are being met for those students with exceptionalities. All of our parents know that Mrs. Mayall is a ray of sunshine who will advocate for their children to ensure that they will succeed. In her free time, Mrs. Mayall loves traveling and spending time with her family.

Although not new to Northmore, this is Ms. Kayla Tysinger's first time working on our campus. Prior to being hired as an afterschool counselor, Ms. Kayla was actually a student at Nothmore in her elementary years. Ms. Kayla's bubbly personality is contagious to those who work with her. She has developed strong relationships with the students in her group and makes sure to engage them in fun activities, while ensuring their safety. As a fun fact - Mr. Heath-Friess actually was her 5th Grade Science Teacher when he worked at Northmore as the Science Coach.
