Panther Parent News

November 2024 Edition

Message from Administration

Greetings Panther Families!

The month of November is an extremely important one. Why is this? Because after Thanksgiving Break, students in Kindergarten - 5th Grades will take their State Progress Monitoring #2 Assessments in Reading and Mathematics. Students in 5th Grade will also take their Progress Monitoring Assessment in Science.

Knowing that these state assessments are right around the corner, we are asking the following:

- ★ Students be at school, ready to learn by 8:00 a.m. every single day unless they are sick.
- ★ Students get a good night's sleep every evening.
- ★ Parents and Teachers work together to ensure student success by keeping in contact by using Class Dojo, emails and/or phone calls.

Remember - These assessments are very important, as they show us how well our students are progressing toward meeting their end of year goals. which are needed to be promoted to the next grade level.
