Safety-No Dismissal after 1:30 p.m.

Please be aware that students cannot be dismissed after 1:30 p.m. This policy is in place to ensure the safety and security of all students and staff.

If your child has an appointment and needs to leave early, please plan to pick them up before 1:30 p.m. Dismissals after this time interfere with our end-of-day procedures. Additionally, our front office has limited space, and excessive traffic can create disruptions and compromise security efforts.

Thank you for your cooperation in keeping our school safe and organized.

Breakfast Procedures

Please remind your child that breakfast starts at **7:15 AM**, and they should go directly to the cafeteria upon arrival. Many students have been staying in the courtyard until the bell rings and then going to breakfast, which cuts into their instructional time. To ensure they have enough time to eat without missing class, please encourage them to head straight to the cafeteria in the morning.

100 Acts of Kindness

Students have been actively participating in **100 Acts of Kindness** from MLK's birthday through Valentine's Day, and it's been wonderful to see them embrace the spirit of kindness! Please continue to encourage them at home to keep up their thoughtful actions. Parents, let's remind our students that kindness isn't just a challenge—it's a habit! Encouraging kind words and actions beyond this initiative will help create a lasting impact. Thank you for your support!

Student ID Replacement Procedures

Since the School District incurs costs related to providing ID badges to students, a student's first replacement ID badge within the school year will be free of charge to the student. In the event that a student needs a replacement ID badge beyond the first replacement ID badge a fee may be imposed to cover the replacement costs directly related to the replacement ID badge.

If a student requires a replacement badge in excess of five times during the school year, the Principal or Assistant Principal is authorized to follow the established processes for the determination of consequences in compliance with the Student Code of Conduct Policies – Level 1 (5.1812 and 5.1813).

Students who have lost their ID more than one time are now being charged \$5.00. The \$5.00 replacement cost for a replacement badge will include a basic lanyard.

Help Keep Our School Safe!

It is important to remind students of the multiple ways to report bullying on campus and address what to do if they are experiencing any antisemitic incidents at school. The District has several

ways a student can report bullying, and it goes directly to the principal of each school:

- The Bullying Hotline 561-434-8200- they can report by calling it in, and a taped recording is sent directly to the school principal.
- Go to ReportBully.PalmBeachSchools.org, which opens a form and sends it directly to the principal.
- Scan a QR Code from posters found on campus to get to the same reporting form.
- A reporting form is also available from the Student Portal at sign-on.

You can access a copy of the sign below through the [Safe Schools Resource Center](#), which is available in English, Spanish, Portuguese, and Haitian Creole. Please post them throughout your campus.

Verde Cell Phone/Electronic Device Policy

At Verde K-8, the use of cell phones and electronic devices such as headsets and earbuds is strictly prohibited during school hours, including class time, breaks, lunch periods, and in the courtyard during the morning, afternoon, and at dismissal. Students are required to keep these devices turned off and stored in their backpacks. If a cell phone or electronic device is seen or heard during these times, it will be confiscated by staff, and parents will need to pick up the item from the school office. Refusing to surrender a phone or electronic device when requested by staff will result in disciplinary action. Progressive disciplinary measures will be enforced for repeated offenses to ensure responsible use of technology and maintain a focus on student accountability and parental involvement.

Report Anonymously

If you or someone you know is a target of bullying, abuse, mistreatment, harassment, threat or intimidation, let us know the name of your school and as many specifics of the situation as possible. Reporting is not tattling when the intention is to alert the teacher and/or administration of any harmful acts of mistreatment toward your child or others.
