School-Parent Compact School Year 2023-2024

Dear Parent/Guardian,

The faculty and staff at Riviera Beach Preparatory and Achievement Academy are committed to your students' success. Academic success is directly related to the students' hard work, dedication and commitment to success. Parents, teachers and the student all play important roles in the students' success. Parental involvement in a student's education has proven to be one of the major factors in academic achievement. This compact outlines how we will share the responsibility for improved student academic achievement and how we will build and develop a partnership to help children achieve the state's high academic achievement standards. After reviewing the School-Parent Compact with your child, please complete and have your child return the bottom portion to the main office secretary.

School's Academic Goals:

To obtain proficiency on state assessments, decrease learning gaps, and increase the high school graduation rate. We believe that every student can reach his or her highest potential, given the right environment. The administration, faculty and staff at Riviera Beach Preparatory and Achievement Academy are highly qualified and prepared to provide an atmosphere that is conducive to learning and overcoming the academic difficulties that our students may have previously experienced. Our small learning environment and dedicated faculty will allow each student to be successful.

Riviera Beach Preparatory and Achievement Academy will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the students to meet the State's student academic achievement standards and meet state requirements for graduation. Parent/student sessions will be held in the fall and spring, tutorials will be held throughout the academic year, and all staff will be given professional development.
- Provide remote learning strategies such as being available, using online resources, making activities engaging and less lecture, make assignments clear and provide on-going feedback.
- Provide parents with frequent reports on their child's progress. The school will provide the following reports: Progress Reports, Report Cards, and bi-weekly online SIS Gateway updates and hold parent-teacher conferences to address the individual child's achievement or lack thereof. Those conferences will be held upon the request of the teacher(s), parent(s), administration, or guidance.
- Provide parents reasonable access to staff. Staff will be available for consultation with parents as follows: during their planning period, scheduled parent/teacher conferences, through email or phone during their normal scheduled hours.
- Provide parents opportunities to participate in their child's class and to observe classroom activities, as follows: upon appointment and 24-hour notice, must have prior approval from the principal.
