Parents who advanced Pay can opt into text message updates to let you know when the school photos are ready to view.

After picture day, every parent can view their child's school photos using the same link or QR code used to Advance Pay. They will also have the option to choose their child's yearbook photo when viewing their child's gallery.

**Information from Bak:** Students take pictures on the day they have science class. A make-up day for students who did not originally take their picture is on August 28th. Munoz Photography takes three pictures, so there is no make-up day for students who have already taken their school pictures. Crystal Clark (A.P.) organizes when students take their pictures. Any question regarding purchasing, selection, or types of pictures taken must be referred to Munoz Photography (see contact information in this document).
