8. **Principal's Report:** N/A

9. **Good of the Order/Comments:**

- a. Request for Graduation Dates has been sent in. There's a meeting tomorrow. Project Graduation needs to know the date as soon as possible so the team can reserve a location.
- b. Chicken Dinner: Pick up date is February 23rd 12:00-5:00pm. The deadline is February 10th. Funds go towards project graduation. Meals are \$17. This is the 40th anniversary of project graduation. Sunfest is not happening in May, that will be \$7,000 we won't be earning this year.
- c. Interact Club: Community involvement, part of the rotary club
- d. One Tribe Newsletter: Question- Is there any way to follow the events without using social media. Website is not helpful. District has taken back the website and can only be updated by the district. 60% of the requests sent to the district, to update website material, are ignored. Maybe a text with a link to the newsletter would be helpful to parents. Is it possible to add SGA events on the website?

10. **Adjournment:** Sue Klement motioned to adjourn, which Tracy Gulick seconded. The meeting adjourned at 6:34 PM.
