- See the curriculum guide at our web page [www.pvchs.com](http://www.pvchs.com) under the CURRICULUM GUIDE tab under SCHOOL COUNSELING for course descriptions.
- Courses in *Italics* are included in calculation of *BRIGHT FUTURES FMS-FAS GPA*.
- Parents and students should choose classes carefully. EFFECTIVES will NOT be changed next year.*
- Make sure that you have obtained teacher recommendation if the box on the right is open.
- Failure to return course selection sheet by the deadline will result in courses being selected for you by your counselor. **No changes will be permitted.**
- ‡ Symbol = material cost/donation requested

All students will be scheduled for levels of English and Math based upon their PSAT, EOC, and/or SAT/ACT scores and prior performance. Students with low PSAT/EOC/SAT/ACT scores will be required to drop elective courses to take EXTENSIVE READING and/or specific English/Math classes. Thus, the schedule you choose may be changed when PSAT/EOC/SAT/ACT scores are received.

I have reviewed the 7 recommended courses for next year and understand that once these become final there will be no changes. If my child is a junior or a senior with a "period off", I understand that this is not recommended and may make my child less competitive in the college and scholarship application process.

  - \* Symbol = material cost/donation requested

All students will be awarded for tests of English and Math based upon their FAST ELA, ROC, and/or SAT/ACT scores and prior performance. Students with low FAST ELA/ROC/SAT/ACT scores will be required to complete courses in the STUDENT LEARNING ADVISORY for English/Math classes. This information is for your reference only. This information may be changed when FAST ELA/ROC/SAT/ACT scores are received.

I have reviewed the 7 recommended courses for next year and understand that once these become final there will be no changes. If my child is a junior or a senior with a "period off", I understand that this is not recommended and may make my child less competitive in the college and scholarship application process.
