meet and surpass our high standards. We are proud of their achievements and remain committed to supporting their journey towards success.

This year we had an excellent year assisting our Wellington community through student support centers and will continue with grade-specific support centers for 9th and 10th grades. The assistant principals, deans, and counselors at both grade levels will work tirelessly to ensure that all underclassmen are graduation ready as they enter each new year.

We will continue alpha breakdown in grades 11th & 12th to provide a 2-year seamless, knowledgeable advising process for all. Students and parents will walk through the 2-year post-secondary preparation process from beginning to end with a single counselor beginning the junior year. Additionally, Ms. Louis is our college & career counselor. She will work directly with all senior students and parents as they navigate the college, scholarship, and financial aid application processes, as well as offer virtual workshops and informational sessions throughout the fall.

We are excited about the enhancements and know that the needs of our students, parents, and faculty will be more readily met in the coming year. We want to celebrate the success of our grade-level student support centers and thank the students and parents for working with us as we identify the best way to meet the academic, social, and emotional needs of our students.

BUSINESS PARTNERSHIPS

BY: ERIC MOORE, ED.D.
& MS. ARLENE EINHORN

Wellington Community High School is dedicated to providing quality education for our students and preparing them to meet the challenges of the future. We believe that your involvement in our school will help us realize that goal. We would like to invite you to become one of Wellington Community High School's Business Partners.

A business/education partnership involves the sharing of human and material resources for the purpose of enhancing student learning and promoting academic achievement. Partners dedicate their time and talent, and have an active role in making school programs successful.

We want the partnership to be mutually beneficial. Through your involvement, you will help prepare the future work force so you reap the benefits of having well-trained employees when today's students complete their academic studies as they enter the world to become productive members of society. In addition, Business Partners are viewed in a positive light in the community as supporters of education. If you would like to support Wellington Community High School and become a business partner please contact Eric Moore by email at eric.moore@palmbeachschools.org or Arlene Einhorn at arlene.einhorn@palmbeachschools.org. Thank you for your time and consideration in making Wellington Community High School a Business Partner.

HOSA Mental Health Awareness Lunch Activity

With the school year coming to an end, we'd like to recognize all the great work the HOSA club has done at Wellington High School. With a total of 37 current members, the students that participate work hard in making HOSA one of the most active clubs on campus. Being known for the two OneBlood drives HOSA manages during the Spring semester, we'd like to highlight some of the other contributions the club has made thus far on campus. In the Fall semester, HOSA organized two fundraisers which helped raise funds for Breast Cancer Research in the month of October, and AIDS/HIV research in the month of December. Over the school year, they've participated in 18 student-led activities, consisting of student-made informational presentations, hands-on first aid labs, scientific career orientated guest speakers, and participation in other club's celebratory activities. Over the past three years, HOSA has done their absolute best and has become an unstoppable force on campus! In the addition of Fire Academy's Instructor T this year, they've increased their range of opportunities for years to come. If you're interested in becoming a HOSA member for the 2024-2025 school year, please be on the lookout when school begins as HOSA plans to hit the ground running and get straight to business as a club! On a different note, as the HOSA journalism officers, Sophie and I would like to thank the club members in the past and current that have had such a huge influence on us. Being with HOSA for the past three years has been an unforgettable experience that we will cherish as we continue onto college. We would like to ultimately thank Ms. Mendez, our club sponsor, and the reason we are so successful as a group. Since HOSA began, she's pushed us to try our best and broaden our horizons. All graduating officers and members will deeply miss her and hope to see HOSA have such a great impact on newer members as it did to us. Here's to the end of the 2024 school year!
