

AI Use Contract

Western Pines Middle School

As a student, I will have access to Artificial Intelligence (AI) tools in Khanmigo to support my learning. These tools are designed to enhance my education, but it is important that I use them responsibly, ethically, and in alignment with school policies.

By signing this contract, I agree to the following guidelines:

Responsible Use

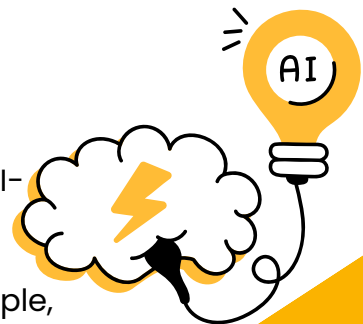

Artificial intelligence (AI) can help me learn better and is important for my future, so I promise to use it responsibly and make smart choices. Western Pines expects all students to use academic integrity when engaging with AI. Academic dishonesty is a serious offense and can result in a zero for the assignment along with parent contact plus possible consequences including detention and leading all the way to suspension (in school and out of school).

Ethical Behavior

- I will use AI tools responsibly and will not use AI in a way that could harm myself or others.
- I will not share personal or confidential information with an AI tool.
- I will only use AI to support my learning and will follow my school's rules and teacher's instructions on when and how to use AI on an assignment.

Collaboration and Learning

- I will not cheat by using AI.
- I will not submit AI-generated work as my own without substantial modification and contribution.
- I understand that altering a small number of words from AI-generated content without proper acknowledgement is plagiarism.
- I will acknowledge when I get assistance from AI. For example, "This essay includes ideas developed using Khanmigo."
