

Dwyer High School Updates for the Week of 5/4/2025 - Newsletter

Hello Staff, Parents, and Students!

We hope you're all having a fantastic week! As we dive into May, let's celebrate the

vibrant spirit of May and all the exciting happenings at Dwyer High School!

Last week

Please take a moment to check out the [April and May 2025 Testing Calendar](#). This is a working document, so keep an eye out for any updates! Additionally, you can find the [Modified Bell Schedule for May](#) linked here.

This is a quick reminder for our 12th graders: If you need a math or reading score, the CLT will be held on Saturday, May 10, 2025, in Room 2202 at 9:00 AM. Please note that these assessments are specifically for Juniors and Seniors who require these scores for graduation. The testing coordinator will handle registration; these tests are not open for other registrations.

Free Driver's Education Opportunity

Exciting news! The School District is partnering with the County to offer a free driver education program for current high school students. To participate, students must complete the A Treasure Coast online driver education program, after which they will receive free behind-the-wheel instruction.

Here are the requirements:

- Must reside in Palm Beach County (proof required).

- Must be enrolled in a public, charter, home school, virtual, or high school program.
- Must already have a learner's permit to enroll.

Please note that registering does not guarantee a spot; availability is based on funding and is first-come, first-served. Student names will be verified with the Palm Beach County School District before the program begins.

Next week

\$Senior Obligation\$

Attention Seniors! All fees and fines must be paid before completing your senior sign-out.

- **Deadline:** Monday, May 12

- **Where to Pay:** Guidance Office

- **When:** During Lunch A or B

- **Accepted Payment Methods:** Check, Money Order, or Cash (Exact Change Only)

Don't let an unpaid fine delay your graduation process!

And don't forget, Students & Families... Join us for the Annual Blue & White Game on

Saturday, May 10th at 10:30 AM! Come out and help us cheer on the team!

Things to remember

- Check the testing calendar regularly for updates.
- Ensure all senior obligations are met by the deadline to avoid graduation delays.
- Don't miss out on the fun at the Blue & White Game!

Until next time!

Thank you for your continued support and involvement in our school community! Let's make this week memorable as we celebrate our students' achievements. Have a

wonderful week ahead!
