- Once a contract request has been submitted, it will be reviewed by the after-school director. Submitting a contract request does not guarantee enrollment into a program. Acceptance into an after-school program is determined by the number of slots available, on a first-come, first-served basis. Upon approval of your contract request, you will be notified via email. Sites will notify any parent who is on the waitlist, by May 19, 2023.

There is a \$25 registration fee for elementary after-school programs. Parents will be required to submit the registration fee when they are notified that their Eleyo enrollment contract request has been accepted. Payment can be made online through Eleyo, or in person at the school site by check, or money order. Any parent whose child is not currently enrolled in a District-operated program should contact the school site's after-school director for information on how to create an Eleyo account.

After-school registration for students entering kindergarten will take place separately, at schools' annual Kindergarten Round Up on

April 13th from 5:30pm to 6:30pm.

School District employees with children enrolled in K-5 after-school programs are eligible for a 25% tuition discount. To receive the discount, employees must submit Form PBSO 2476 Employee Verification for Afterschool Programs. Employees can submit the form, starting on July 1, 2023. The deadline for submission is August 31, 2023 for the discount to begin on September 1, 2023.
