

# Commemorate Your Days at Jupiter High School LEAVE YOUR MARK IN OUR OUTDOOR CLASSROOM

YOUR FAMILY  
NAME  
ENGRAVED HERE

## Get Your Personalized Paver • Advertise Your Business

You are invited to become a permanent part of the Perry J. Cohen Wetlands Laboratory by purchasing a commemorative paver. The pavers will be installed in and around the wetlands. Funds raised will be used to support the wetland's required annual maintenance fees. Purchasing pavers is an easy way to leave a lasting family legacy on the JHS campus and help support the annual outdoor classroom maintenance fees.

Engraved on your custom paver could be your family name, student or alumni's name(s) and year of graduating class with a special symbol. You could engrave a paver in honor of someone special, a favorite teacher, coach or mentor, or in a loved one's memory. You could also advertise your business with a custom logo engraving. In addition, duplicate pavers (souvenir bricks) can be purchased as a keep sake for your home or office.

Please use the form on the back of this page to order your paver(s). Payments can be made via school cash online or check. Checks should be made payable to Jupiter High School. Forms should be returned to Dr. Thornton and may be emailed. If you have any questions please email Dr. Thornton at [teresa.thornton@palmbeachschools.org](mailto:teresa.thornton@palmbeachschools.org).

**PAVING THE WAY TO A BEAUTIFUL OUTDOOR WETLANDS LABORATORY**

Please complete this order form and return with check or school cash online receipt. All orders must be received by May 12, 2023. (Donations for pavers are tax-deductible.) Thank you for continuing to help us pave the way to a beautiful outdoor laboratory! To order multiple bricks, please copy this form.

**Please reserve a permanent paver in JHS' Perry J. Cohen Wetland Laboratory.**
