## A schedule request can be made for the following reasons:

1. Student is scheduled for a course that they have already taken
2. Student is missing a course needed for graduation
3. Student is in the wrong course sequence (ex: Geometry before Algebra 1)
4. Student is academically misplaced in the wrong level course (teacher and admin approval is needed)
5. Student is missing an academy or AICE/AP Diploma course

## Schedules will not be changed for specific teacher requests or period
