INDUSTRY CERTIFICATION

In line with Palm Beach County School District's mission statement, all students must **graduate college and career ready**.

At West Boca High, we offer **AP, AICE, dual enrollment and industry certification courses** in order ensure our students are prepared for college and/or a career upon graduation.

Students are encouraged to graduate with at least one industry certification. These certifications save students money in the workforce and also help build their resume.

ALL students must finish their **community service** hours by the end of junior year in order to have senior privilege senior year!!

AP Courses & Changes

College Board revamped its AP testing process.

The deadline to order tests was moved up.

As a result, students may not drop AP courses after October 13th or they will be subject to a \$40 obligation fee.

Accommodations for AP and AICE

*Students with IEP or 504 plans have the option to take their AP and AICE exams with testing accommodations. This process is different than the process used for FSA or EOC and requires an application through College Board (AP) and/or Cambridge (AICE). If you have an IEP, 504 plan or use any school based accommodations then you are not automatically qualified to use test accommodations on AP or AICE exams. Therefore **all students seeking to use accommodations on their exams must see Ms. Lombardi (IEP) or Ms. Wolfe (504) by the start of second quarter to begin the process.***

HAVE A GREAT JUNIOR YEAR!!!!

- Regularly self-assess: If what you are doing isn't producing the level of results/success that it should, then it is time to try something different.
- Read the Principal's Newsletter and check your student email.
- Ask questions/seek out assistance
- Avoid getting caught up in justifying and making excuses. Instead, focus your energies on being positive and proactive in confronting areas of difficulty head-on.
- Focus on SAT/ACT Testing
- Begin the process NOW by researching potential colleges so you have a list already
