West Boca Raton Community High Course Selection Offerings for 2024/25

Please use this course selection sheet as a reference for selecting the elective courses you would like to take. You will need to input your selections into the course selection google form (current WBHS students only). Teachers will input core courses and academy courses. At the end of the course selection window, school counselors will review all students' selections to ensure that they are complete. Keep in mind, students have to take 4 core courses, Math, English, Science and Social Studies, in addition to 3 electives and/or academy courses. Keep in mind, it is our practice that all students take at least 4 accelerated courses (AICE, AP Industry Certification) by the time they graduate. Collaboration is key for all to ensure the best possible selections.

PE
Students who have not taken HOPE and need to meet the PE graduation requirement must take 2 PE courses. Each course is 1 semester long.
