

Business Dress Requirements:

The purpose of the dress policy is to uphold the professional image of the program and to prepare students for the business world. Acceptable attire is required for all students on business dress days and other school events such as competitions, assemblies, training, meetings, workshops, and other activities. No dress code can cover all contingencies, so students must use a certain amount of judgment in their choice of clothing to wear. Students who experience uncertainty about their attire should ask their AOF teacher, Academy Coordinator, or school administrator.

Professional*:

Business suit (matching slacks and jacket) or a jacket/sport coat with dress slacks, collared dress shirt, and necktie;
OR

Dress slacks, collared **long-sleeve** buttoned dress shirt, and necktie (no jacket);
OR

A banded collar dress shirt, dress top or blouse (no t-shirts) may be worn **without a necktie** ONLY if a jacket/sport coat and dress slacks or a business suit is worn.

Closed toe and heel business dress shoes are required. Socks are required depending on the style of the shoe.

Shirts must be tucked into slacks and a belt is required if the slacks have belt loops.

Casual*:

Official Academy of Finance polo shirt purchased through Dwyer's vendor

Dress slacks, khakis, chinos, or pants made from cotton twill (no jeans, leggings, or cargo pants). Preferably black, navy blue, gray, white, beige, maroon or other subtle color (no neon or bright colors).

Closed toe and heel business casual shoes can be dress, loafers (not canvas), boat/deck style (no athletic shoes that are oversized, bulky, or multi-colored). Croc style shoes and sandals are NOT considered proper business attire.

****School Dress Code requirements apply in addition to these requirements.***
