Principal's Perspective

Greetings South Intensive Families, Students, and Staff members:

I hope this edition of the South Intensive Times finds you and your loved ones in good spirits. The school year is coming to an end very quickly, but we still have a lot to accomplish here at South Intensive. One of the many things that is on the horizon are the Florida State Assessments for all students in grades 3 through 10. Most, if not all of our students have already been exposed to these crucial exams and are not really anxious about the tests. Students will be tested in the areas of writing, reading, math, social studies and science. For our high school students, in order to graduate, high school students must pass the 10th grade reading/writing test and the algebra end of course exam. Students who do not pass these exams when they are in 10th grade will have other opportunities to pass the tests as 11th and 12th graders.

Parents, as always, it is vital that your child be in attendance at school, but it is even more important that they do not miss taking their required exams. With your cooperation and our teaching skills, we know our students will perform admirably on these very important exams. If you have any questions about testing schedules, please reach out to our Assistant Principal , Mr. Gross at 561-374-7204.

Mr. Reginald Jeudy, Ed. S
Principal

Principal of the Year

Our very own Principal, Mr. Reginald Jeudy, received the 2024-2025 Principal Leadership Award! Only 15 principals throughout the state of Florida were honored with this esteemed award, and South Intensive Transition School was proud to recognize Mr. Jeudy as our Principal of the Year!

“The honor recognizes educational leaders who are creating meaningful change in their students’ lives, while also sharing their educational practices among their peers.”

As part of this prestigious award from Florida Tax-Watch, Mr. Jeudy was able to select one student from our school to receive a paid college scholarship funded by TaxWatch, Florida Prepaid,

and other sponsors! High School senior Portia Guz was the proud recipient of the 2-year fully paid college scholarship!
