Principal's Perspective

Festive Greetings South Intensive Families,

Another month has come and gone and our student population continues to grow bigger and brighter. As you know, the month of November is notoriously famous for invoking thoughts of family gatherings around the kitchen, for good food, and brotherly love for one another. I want to pass along this feeling of love and warmth to each and every one of our students and their families.

There will be no school from November 20th - November 24th for the holiday week. So please take this time to spend with your loved ones, whether they be family or friends and let them know how special they are to you. Here at South Intensive, we are planning various holiday activities to let our students know just how special they are to us.

With Sincere Gratitude,

Mr. Reginald Jeudy, Ed. S
Principal

WHAT IS 988?

988 is the new nationwide **three-digit number now available for suicide and mental health crisis, available to everyone in the U.S.**

This easy-to-remember number will route callers to the 988 Suicide and Crisis Lifeline network, where compassionate, accessible care and support are available for anyone experiencing a mental health-related emergency – whether that is thoughts of suicide, a mental health or substance use crisis or any other kind of emotional distress. People can also dial 988 if they are worried about a loved one who may need crisis support.

What to expect when you contact 988

The goal of the 988 Lifeline is to provide free, 24/7, confidential, immediate crisis intervention and support. Here's how it works:

-  **1** If you call 988, **you'll hear a message that you've reached the Lifeline.** If you are a veteran, you can press "1" to reach the Veterans' Crisis Line or "2" to reach Spanish-speaking crisis counselors for the Lifeline.
 -  **2** If you don't select either option, or if you text or chat, **a trained crisis counselor will answer.** (For texters, you will be prompted to text 838255 if you want to reach the Veterans' Crisis Line.)
 -  **3** **Spanish crisis services are available for callers to 988,** and translation services are available in more than **150 additional languages.** TTY is available for deaf or hard-of-hearing callers by dialing 711 then 1-800-273-8255.
 -  **4** The counselor will engage you to **understand how your or loved one is impacted** and what help you might need.
 -  **5** The counselor will provide **support and share resources and referrals.**
- * In some communities, the crisis line may be able to connect you to additional services or follow up with you to ensure you've connected with care (note: not all communities currently have this capacity).

Additional resources

There are additional resources if you are not experiencing a crisis, but seeking information, referrals and support:

NAMI Helpline (1-800-950-6264) is a free peer-support service providing information, resource referrals and support for people living with a mental health condition, their family members and caregivers, mental health providers and the public. While the NAMI Helpline allows you to speak with a peer who can connect you to NAMI resources, it is **not a hotline, crisis line, or a suicide prevention line.** It is available M-F from 10 A.M. to 10 P.M. ET.
