# Overview

The Building Department has two main areas of responsibility:

- Construction project plan review, permitting and inspections.
- Existing facilities annual fire and safety inspections.

# Plan Review / Inspection Database

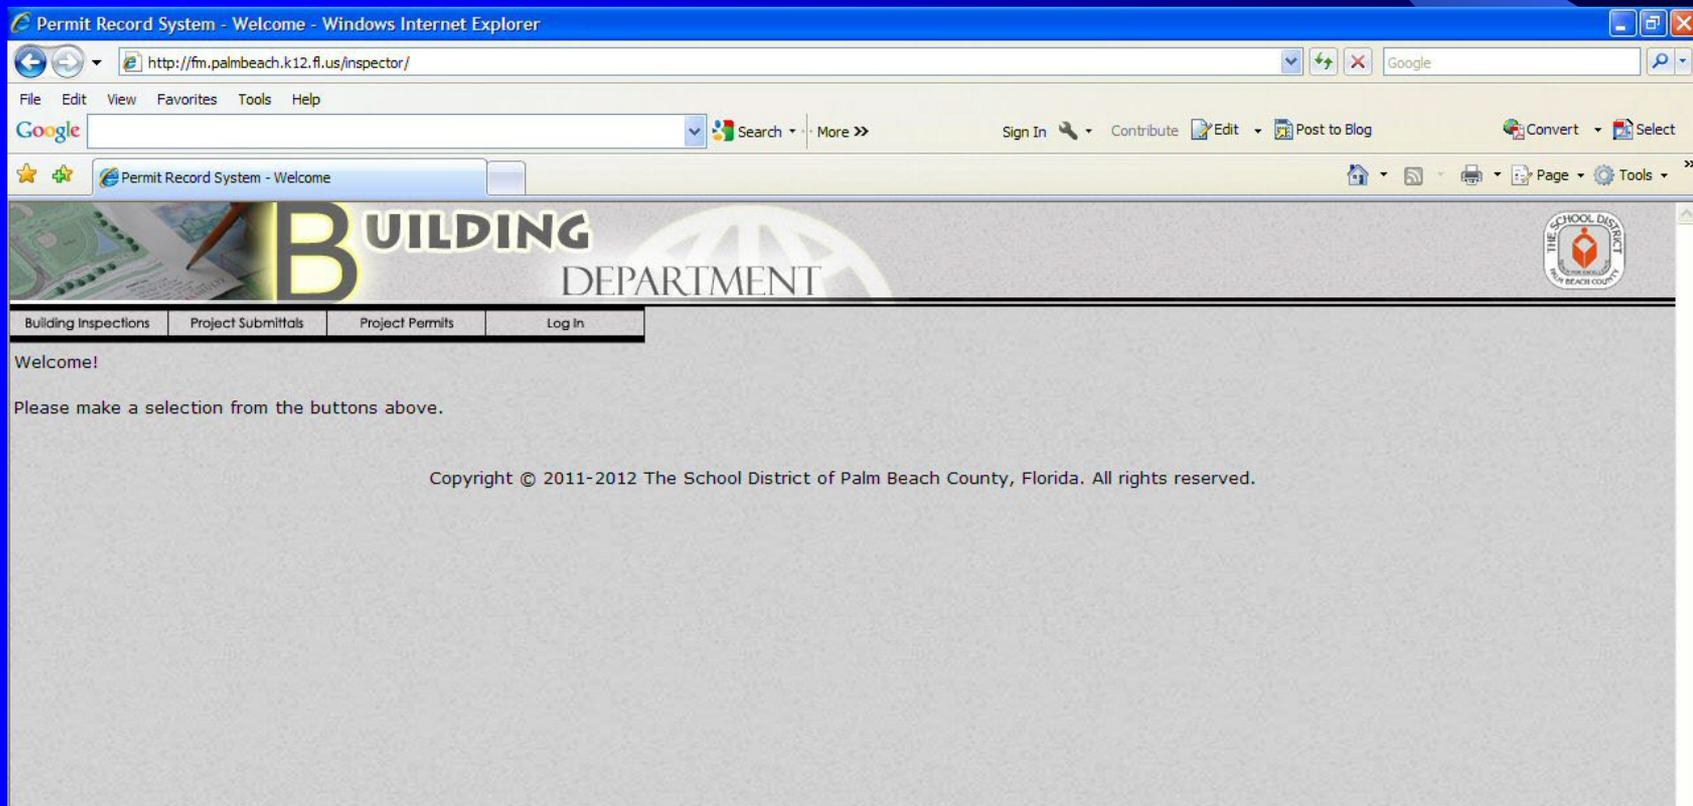

The Building Department Inspector database is accessed with a standard web browser. Type the web address in the command line of your web browser or create a shortcut using the web address. The web address works on both district computers and computers outside the district.

- Web Address: <http://fm.palmbeachschools.org/Inspector>

# Main Menu Categories

- Building Inspections
- Project Submittals
- Project Permits
- Login

System login is not required to view information. Login allows district employees to add or edit information and view additional screens in the database.

The screenshot shows a web browser window titled "Permit Record System - Welcome - Windows Internet Explorer". The address bar displays "http://fm.palmbeach.k12.fl.us/inspector/". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". A search bar with the Google logo is visible, along with "Sign In", "Contribute", "Edit", "Post to Blog", "Convert", and "Select" options. The main content area features a header with a large "BUILDING DEPARTMENT" logo and a circular graphic. Below the header is a navigation menu with four buttons: "Building Inspections", "Project Submittals", "Project Permits", and "Log In". The page content includes a "Welcome!" message and the instruction "Please make a selection from the buttons above." At the bottom, a copyright notice reads "Copyright © 2011-2012 The School District of Palm Beach County, Florida. All rights reserved."

# Building Inspections (tab)

- View the inspection list for individual permits
- Print/View inspect reports (outstanding comments)
- Print/View the inspection schedule

The screenshot shows a web browser window titled "Building Inspection Record Data Entry - Windows Internet Explorer".
