Dear Friend of Wellness,
These are quite challenging and delicate times we are living in since the Public Health Pandemic of COVID-19 has taken over our lives. On behalf of the District's Wellness Promotion Task Force (WPTF), we wanted to reassure each one of you, that you are not alone, and together we can overcome these challenges.

March 31, 2020 was the first day of distance-learning for all students of The School District of Palm Beach County. In the words of our Superintendent, Dr. Donald E. Fennoy, please do not confuse working from a distance with working alone.

Every day we continue creating and embracing our *Whole School, Whole Community, Whole Child* (WSCC) Culture. We are blessed to live in such a caring county that focuses on lifting each other UP!

We are all in this together! Do not be afraid of change as change is what makes us grow. It is important that we all maintain physical distancing right now because that is the safe and responsible thing to do. However, keep in mind to give love to one another.

If you are in need of any assistance and/or support, please click the "Let's Connect" button on the right side to send us a message.

Thank you to everyone that is making this new adventure a *SUCCESS!*

With kindest regards,

Paula

Board Approved Strategic Plan August 3, 2022

What is Strategic Planning?

Strategic planning is a process in which an organization's leaders and stakeholders define their vision for the future and identify their organization's goals and objectives.

What's different as a result of our **strategic plan** 12 months from now?

What would you do, know, or experience if you were **educated**?

What would you do, know, or experience if you were **affirmed**?

Know that I am genuinely okay as a person, accepted, included

Confident, overcome anxiety, positive, able to hold your own

Grounded

Stand up for someone, know how to lift others, offer emotional support

“What does affirm mean?”

Resilient, stay strong, see negative things clearly, overcome challenges

Treated like anyone else, equality

Trust

Supported, happy, encouraged

Seen, heard

Recognized, positive feedback, acknowledged

Experience success

What would you do, know, or experience if you were **inspired**?

Growth mindset, resilient, persistent; experience failures, obstacles, doubt

Motivated, drive, goal-oriented, resourceful, do better in life, passionate, determined, dedicated

“Motivated to do anything you put your mind to”

Improve your community, make the world a better place, advocate for social issues, domino effect

Have a purpose, cause

Accepting and safe environment, not worried about passing and being accepted

Influenced, look up to someone you admire, get ideas from others

Personal growth, strive to make better choices; healthy relationships with people, food, wellness, finances

Creative, forward thinker, constantly educate themselves, enthusiasm

Focus on learning rather than the grade

Eagles Landing Middle

A place to unwind, enjoy nature, and learn about helping the Everglades.

This all started because of the Everglades Champions in Action program! Students applied for a grant to get a native plant garden installed in our courtyard and they got it! Visitors can scan the code to learn about helping the Everglades!

Plant	Butterfly	General Description	Picture
Parsley(host plant)	Black Swallowtail butterflies	<p>Male: black with a broad yellow submarginal band and a row of yellow marginal spots.</p> <p>Female: black with yellow submarginal band reduced or absent; hindwing with increased blue scaling.</p>	

Plant	Butterfly	General Description	Picture
Rosemary(host plant)	White Butterfly	<p>-Male and female: bright white color with black tips to the forewing, extending down the wing edge, the undersides are a creamy white with 2 spots.</p> <p>-Females have 2 spots on the forewings while males don't</p>	

- The garden is utilized in many ways:**
- Guidance counselors take students outside that need a little break.
 - Teachers bring their classes out for brain breaks.
 - The student government has students assigned to help maintain and promote the garden. A student is even working on butterfly signs for each plant.
 - The National Junior Honor society students earn community service hours for helping maintain the garden.
 - Teachers come out on their breaks to enjoy the sounds and sun.

There are many ways that the Garden of Dreams monthly mindsets are promoted school wide. For the month of November, Students and Staff participated in a door decorating contest to show what “Gratitude” means to them. Below are the winners!
