Capitalized terms used herein but not otherwise defined herein shall have the meaning given to such terms in the Trust Agreement.

As used in this Certificate,

“**Certificate Rating**” shall mean the underlying, long-term rating assigned by a Rating Agency to the Series 2024A Certificates (or if no such rating is assigned to the Series 2024A Certificates, then the rating assigned to any Certificates issued under the Master Trust Agreement), without regard to any credit or liquidity enhancement.

“**Code**” means the Internal Revenue Code of 1986, as amended, and any Treasury Regulations, whether temporary, proposed or final, promulgated thereunder or applicable thereto.

“**Credit Event**” shall mean either (i) there is no Certificate Rating or (ii) the Certificate Rating by any of Moody’s, S&P or Fitch, is below BBB/Baa2/BBB (or the equivalent) or that any such rating has been withdrawn or suspended for credit-related reasons, provided that if there are more than two Certificate Ratings at any time, the lowest Certificate Rating of any single rating agency may be disregarded.

“**Default Rate**” shall mean a rate of interest of 12% per annum.

“**Determination of Taxability**” means that (i) a final decree or judgment of any Federal court or a final action of the Internal Revenue Service determining that Series 2024A Interest is includable in the gross income of the Registered Owner for Federal income tax purposes as a result of conditions arising from the action or inaction of the District; provided, no Determination of Taxability shall be deemed to occur unless the District has been given written notice of such occurrence and, to the extent permitted by law, an opportunity to participate in and seek, at the District’s own expense, a final administrative determination by the Internal Revenue Service or determination by a court of competent jurisdiction (from which no further right of appeal exists) as to the occurrence of such Determination of Taxability; or (ii) at such time as the District and the Registered Owner hereof have agreed that a Determination of Taxability has occurred.

“**Maximum Corporate Tax Rate**” means, the highest marginal rate of income tax imposed on the taxable income of corporations pursuant to Section 11(b) of the Code.

“Prepaid Installment” shall mean the amount of the principal portion of the Basic Lease Payments represented by the Series 2024A Certificates to be prepaid pursuant to the terms hereof which would have been paid on an Original Payment Date.

“Prepayment Fee” shall mean, at the time of any prepayment, the sum of fees calculated separately for each Prepaid Installment, as follows:

The amount equal to the present value (discounted by the Reinvestment Rate) of the difference, if positive, between:

(i) The amount of the interest that would have accrued on each Prepaid Installment at a fixed interest rate for the Prepaid Installment equal to the 1.47%, as if the Prepaid Installment had not been made.

(ii) The amount of the interest that would have accrued on each Prepaid Installment at a fixed interest rate for the Prepaid Installment equal to the Reinvestment Rate, as if the Prepaid Installment had not been made.

The following definitions will apply to the calculation of the Prepayment Fee:

(i) **“Original Payment Dates”** mean the dates on which the prepaid principal portion of Basic Lease Payments would have been paid if there had been no prepayment.

(ii) **“Prepaid Installment”** shall mean the amount of the principal portion of the Basic Lease Payments represented by the Series 2024A Certificates to be prepaid pursuant to the terms hereof which would have been paid on an Original Payment Date.

(iii) **“Reinvestment Rate”** means with respect to each Prepaid Installment of principal, the Swap Rate on the date the prepayment fee is calculated by the Bank for a term corresponding to the period of time remaining until such principal installment was scheduled to be paid, interpolated on a linear basis, if necessary.

(iv) **“Swap Rate”** means, as of any date, the offered U.S. Dollar interest rate swap rate that a fixed rate receiver would receive in return for paying a floating rate equal to the three month LIBOR (or a comparable or a successor rate approved by the Bank) determined by the Bank on such date by reference to the Bloomberg service or such other similar data source then used by the Bank for determining such rate.

Upon the occurrence of a Determination of Taxability, the interest rate represented by the Series 2024A Certificates shall be adjusted to a rate equal to the interest rate in effect without regard to the Determination of Taxability multiplied by the Taxable Rate Factor (the **“Adjusted Interest Rate”**), as of and from the date such Determination of Taxability would be applicable with respect to the Series 2024A Certificates (the **“Accrual Date”**); and (i) the Trustee shall on the next Interest Payment Date (or if the Series 2024A Certificates shall have matured, within 30 days after demand by the Certificate holder) pay to the Certificate holder an amount equal to the sum of (1) the difference between (A) the total Series 2024A Interest that would have accrued at the Adjusted Interest Rate from the Accrual Date to such Interest Payment Date (or payment date following such demand), and (B) the actual Series 2024A Interest paid by the Trustee from the

Accrual Date to such Interest Payment Date (or payment date following such demand), and (2) any interest and penalties or charges required to be paid as a result of any additional federal income taxes imposed upon the Series 2024A Certificate holder arising as a result of such Determination of Taxability as directed in writing by the Series 2024A Certificate holder; and (ii) from and after the Date of the Determination of Taxability, the Series 2024A Interest shall continue to be calculated at the Adjusted Interest Rate for the period such determination continues to be applicable with respect to the Series 2024A Certificates. This adjustment shall survive payment of the Series 2024A Certificates until such time as the federal statute of limitations under which the Series 2024A Interest could be declared taxable under the Code shall have expired as determined by the Series 2024A Certificate holder and communicated in writing to the Trustee.

At the option of the holder of the Series 2024A Certificates, exercised in writing by it and delivered to the School Board and the Trustee, upon the occurrence and continuation of an event of default under the Trust Agreement or Master Lease or a termination of the Lease Term under the Master Lease (collectively, an "Event of Default") or upon the occurrence of a Credit Event, the Series 2024A Interest shall be calculated at the Default Rate, commencing on the effective date of such Event of Default or Credit Event until such time as such Event of Default or Credit Event is cured.

All amounts payable by the Trustee with respect to this Certificate shall be paid from (i) the Basic Lease Payments received by the Trustee from the School Board pursuant to the terms of the Series 2007A-1 Lease, equally and ratably with the portion of the Outstanding Series 2015D Certificates, (ii) all amounts from time to time deposited in the funds and accounts created under the Trust Agreement, including investment earnings; and (iii) proceeds, if any, received by the Trustee upon the sale, re-letting or other disposition of the School Board's interest in the Series 2007A-1 Facilities, as provided in the Trust Agreement or the pursuit of any other remedy pursuant to the Master Lease. The payment of the principal portion and interest portion of the Basic Lease Payments represented by the Certificates is not a liability or charge upon the credit of the Trustee or the Corporation, and neither the Trustee nor the Corporation has any obligation to make such payments, other than the Trustee's obligation to make such payments from the income from and proceeds of the sources described above.
