2021-2022 Athletics Eligibility Packet

Dear Parents, Guardians, and Students,

Please use the following guide to assist you when completing and submitting the Athletic Eligibility Package. Incomplete packages will be returned to the student and may cause the student to miss the deadline for submission and/or tryouts.

The attached pages must be completed in full prior to the start of tryouts for the sport/sports in which the student elects to participate in during the 2021-22 school year. Student athletes are required to complete a new eligibility package each school year.

The bullets below are intended to assist you with completion of the packet. On the top right hand corner of each page is a number that is used in order to make reference to those pages.

- ◆ Pages 3 and 4 must be notarized !
- ◆ Parents -Complete page 5 fully, and explain any yes answers in the space provided at the bottom of the page.
- ◆ Page 6 **MUST** be completed, signed and dated by a licensed physician.
- ◆ Page 7 is only needed if your primary physician refers your son/daughter to another physician, otherwise it can remain blank.
- ◆ Please be sure to complete every page and every box, even if it seems redundant.
- ◆ Make sure every student signature line is signed by the student and every parent line is signed by at least one parent.
- ◆ If something does not apply, please mark it as N/A
